4 --- --- ---

5 COMMISSIONER BELL: Good evening.
6 Willie Bell, vice chair. Just before--I will be
7 chairing the meeting tonight. Our chairperson,
8 Lisa Carter, could not be in attendance and she
9 sent her regrets and wants us to go forward to
10 have a great meeting. At this time I'm going to
11 ask our one and only, Commissioner Bishop Vann to
12 invocation, please.

13 BISHOP VANN: May we pray. God, we
14 thank you and we praise you tonight for your
15 goodness and mercy and kindness toward us. We
16 ask that as we continue this meeting and we
17 deliberate for the building of this City that you
18 would bless the entire Detroit Police Department,
19 its leadership and its staff. We ask that you
20 would bless the Board of Police Commissioners as
21 we deliberate over the police business of the
22 City that is on our Agenda tonight and bless the
23 community that we serve.

24 We're happy to be here tonight and we
25 thank you for the opportunity to connect with

1 members of the community. Now, bless us as we go
2 further into this meeting. We give you praise
3 and grace. Amen.

4 COMMISSIONER BELL: At this time I'm
5 going to conduct the roll call by asking the
6 commissioners to my immediate left to introduce
7 themselves and whatever brief remarks they might
8 want to make in reference to this evening's
9 meeting.

10 COMMISSIONER SHELBY: Richard Shelby,
11 Commissioner, District 1.

12 BISHOP VANN: Commissioner Edgar Vann,
13 Commissioner District 2 Northwest Detroit.

14 COMMISSIONER MOORE: Commissioner
15 Ricardo Moore, District 7, Northwest Detroit, 2nd
16 Precinct, 6th Precinct and 10th Precinct.

17 COMMISSIONER DEWALSCHE: Eva Dewalsche,
18 Commissioner.

19 COMMISSIONER BROOKS: Betty Brooks,
20 Commissioner.

21 COMMISSIONER BELL: I assume that's
22 the roll call. I'm going to ask our secretary,
23 Mr. Anthony, to give us who is absent at this
24 time.

25 MR. ANTHONY: Thank you, Mr. Chair. For

1 the record, George Anthony, secretary to the
2 Board. Several commissioners have asked to be
3 excused. You've already indicated that the Chair
4 Lisa Carter has asked to be excused. As has
5 Commissioner Willie E. Burton, Conrad Mallet Jr.,
6 Darnell R. White and Reginald Crawford; and that
7 completes the absences.

8 COMMISSIONER BELL: Mr. Secretary, do we
9 have a quorum?

10 MR. ANTHONY: You do have a quorum, Mr.
11 Chair.

12 COMMISSIONER BELL: We can move forward.
13 At this time, he needs no introduction, but I'm
14 going to go through the formality anyway,
15 Assistant Chief Steven Dolunt.

16 COMMISSIONER DOLUNT: Hi.

17 COMMISSIONER BELL: Mr. Anthony, and
18 would you introduce staff of the commission,
19 please.

20 MR. ANTHONY: Thank you, sir. We have
21 seated in the front Ms. Pamela Davis-Drake, if
22 you don't mind. Thank you. She is our Chief
23 Investigator from the Office of the Chief
24 Investigator.

25 Ms. Linda Bernard; she is our Attorney

1 to the Board.

2 Mr. Robert Brown; he is our
3 Administrative Assistant.

4 We also have present our Supervising
5 Investigator from the Office of the Chief
6 Investigator, Mr. Abdula Nelson. Our recorders
7 for this evening are Sergeant Allen Quinn, who is
8 walking on the opposite wall and Ms. Shay Coleman
9 from Hanson Court Reporting Service.

10 That completes the introduction.

11 COMMISSIONER BELL: Thank you. I want
12 to say that we are happy to return to the Boy
13 Scouts of America and we really thank them for
14 their hospitality. Anybody here representing the
15 Boy Scouts of America at this time? If not, I
16 just want to say we always enjoy the hospitality.
17 We always enjoy the meeting accommodation and
18 this really is a blessed opportunity to be in the
19 midst of a Boy Scout activity. I know this
20 building is probably very active during the year
21 and, you know, in terms of Boy Scouts. We don't
22 have anything like this on the east side of
23 Detroit, and hopefully--but I'm always impressed
24 with the Boy Scouts and the Girl Scouts, you
25 know, in terms of the type of leadership skills

1 that they develop. And I'm pretty sure it's
2 definitely needed in this day and age. So, once
3 again, I want to thank them for their
4 hospitality.

5 Commissioner, the Chair would entertain
6 approval of Agenda for tonight's meeting.

7 COMMISSIONER DEWALSCHE: So move.

8 COMMISSIONER BELL: Properly moved.

9 Ready for question. Those in favor.

10 (All indicated aye.)

11 COMMISSIONER BELL: Those opposed?

12 (None responded.)

13 COMMISSIONER BELL: Motion carries. And
14 we have opportunity to review the Minutes
15 hopefully prior to this meeting. And at this
16 time the chair will entertain approval of the
17 Minutes for Thursday September 3, 2015.

18 COMMISSIONER MOORE: So moved.

19 COMMISSIONER BELL: Discussion. Those
20 in favor aye.

21 (All indicated aye.)

22 COMMISSIONER BELL: Those opposed.

23 (None responded.)

24 COMMISSIONER BELL: Motion carries. The
25 next item of business would be the chairperson

1 report. I don't have a report and the Chair did
2 not leave one with me, but I just want to share a
3 couple items with you that our overall mission is
4 to increase public confidence in the Detroit
5 Police Department providing accountability,
6 compliments, objectives and effective city
7 oversight; is our primary mission in terms of
8 bridging that gap between the police and
9 community.

10 And one of our chartered mandated duties
11 is that we wanted to lift up at this time and
12 hopefully in the future that our primary goal is
13 also that, we introduced to chief investigator
14 and supervising investigator, is the Office of
15 the Chief Investigator. And they play a very
16 meaningful role in our focal point in terms of
17 our charge.

18 And hopefully--we have this little
19 pamphlet that should be at the desk. If not,
20 pick one up. My understanding is that it's
21 something that officers carry throughout the City
22 of Detroit for the Detroit Police Department.
23 But basically, the Office of Chief Investigator
24 investigates allegations of police misconduct
25 that are non-criminal in nature posed by

1 citizens. Matters that could potentially lead
2 to criminal prosecution are held by the
3 Police Department Special Standards Unit; so
4 there's a distinct difference.

5 Citizens may file a complaint, CCR,
6 on-line via Police Detroit via the City of
7 Detroit website. And hopefully on the website is
8 a great website versus in the past. The person
9 in the Office of the Chief Investigator during
10 the Board of Commissioner Meeting pretty much
11 comes out and interacts with the public also.
12 Investigation may take up to 90 days to complete.
13 Once completed they are reviewed by the chief
14 investigator and the Board of Police
15 Commissioners Citizen Complaint Committee.

16 After the Board has reviewed the report
17 citizens are contacted by letter regarding the
18 investigation outcome and findings. All cases
19 are currently forwarded to the Chief of Police
20 Office for review. Cases that are sustained,
21 officers found to be in violation of Department
22 Policy of the Law, are forwarded to the
23 Department Disciplinary, the Administration for
24 Disciplinary and Corrective Action.

25 Finally, citizens who wish to appeal

1 decisions in their care may do so by requesting
2 appeal in writing and forward that request to the
3 Board Secretary. And the website will give you
4 information as far as their location. It's
5 rather easy to do.

6 We also entertain any concerns that good
7 will--when officers are doing a great job, we
8 want to hear from you also; not just in terms of
9 complaints. We want to be that mission in terms
10 of reaching out to you, and we want to hear all
11 the good stuff, not just the bad, in terms of
12 when you have that one encounter that's really
13 bad, but we also want to hear all the good
14 things that are happening. And, as we know, we
15 have a great Department in terms of providing
16 service 24/7. So I just wanted to share that
17 with you.

18 Commissioners, we talked about our
19 community meeting next month at Osborn High
20 School, and I have reached out to the principal
21 at Osborn High School and also that the Board of
22 Education Chief Stacy Bradkins, and they're on
23 board. They would welcome us. It's just a
24 matter of working out the details. We probably
25 have to move up the meeting to like 1:00 or 1:30

1 because they get out of school at 3:00 and this
2 would be the focal point in reference to dealing
3 with young people. And I think that's in the
4 11th Precinct--no Number 9. I keep trying to
5 carry you over to the Number 9. We'll reach out
6 to Number 9 in terms of--that would be Captain
7 Cox.

8 Okay. We're looking forward to--we had
9 a great experience at East English Prep Academy
10 High School, and we want to continue working with
11 our young people and they can give us some
12 feedback. So that's something that we're working
13 on and perhaps we can make a final decision next
14 week at our next meeting. So I just wanted to
15 report out to you on that particular issue.

16 If we go forward, I guess, Assistant
17 Chief Dolunt.

18 COMMISSIONER DOLUNT: Good evening.
19 Just a couple things first. As a rule of show
20 up, the Mayor is having his town hall meeting at
21 CAYMC this evening so most of them went there.
22 However, there are some key people here; Deputy
23 Chief Hall. Deputy Chief Fitzgerald just
24 stepped out. Captain Pritchett, Captain Mahone,
25 Captain Solana, Captain Tosqui and Sergeant

1 Wisniewski.

2 Anyway, a couple things. First of all,
3 the next three months you will not be seeing
4 Deputy Chief Hall or Captain Tosqui because they
5 have been selected to go the prestigious FBI
6 Academy. And they deserve it. Both are going to
7 go and they'll be gone for three months. And
8 when they get back Commander Mahone is going to
9 go and Deputy Chief Joe Fresard has already
10 attended. So, anyway, I think that's a feather
11 in their caps, because I think they're both up
12 and comers in law enforcement and this is just
13 one more thing for them to have so I'm really
14 happy for them.

15 Also, I thought we had a fairly good
16 weekend with the Jazz Festival. We had tens of
17 thousands of people down there. Two minor
18 incidents; one in Greektown and one with the
19 Do It Yourself. We're not happy about that but
20 it did happen. As far as I know, those are the
21 only two incidents. That was on Friday. Deputy
22 Chief Fitzgerald and Commander Mahone were out
23 there, and for the most part it was well
24 received.

25 Also, I did see on Thursday I know

1 Commissioner Bell showed up. I can't remember
2 any other commissioners showed up for the Grand
3 Chili, whatever you call it, contest. I guess
4 the Fire Department--last year they defeated us.
5 This year we spanked them. We did win and we got
6 a trophy for it so that was cool. That was nice.

7 Also, Field Day is Saturday at Butzel
8 Field. We're having a softball tournament,
9 basketball, kids hockey. I believe kids
10 basketball too. Tug-a-war; we're taking on Wayne
11 County. We have two female tug-a-war teams and
12 we're not calling them A or B. We're calling
13 them black and gray and they're going to go out
14 there and with any luck they will be like the
15 Williams sisters and go against each other for
16 the finals. It's a family thing and we'll win
17 either way.

18 The last thing I wanted to note and
19 we've been getting a lot of--the police law
20 enforcement have been getting some bad press.
21 And, unfortunately, members of the community are
22 getting bad press. I brought this up this
23 morning. And if you heard about it fine but you
24 probably haven't because it's not sensational
25 enough for the world news.

1 There is a Florida police officer who
2 rides a motorcycle so he's a traffic cop and he
3 made a traffic stop. Unbeknownst to him the
4 individual inside was wanted for armed robbery.
5 Now, the officer is white. The driver of the car
6 was black. For whatever reason, well, not for
7 whatever. He didn't want to go to jail. He
8 jumped out and assaulted the white officer. The
9 key thing to this story is that three individuals
10 pulled up, three males, two black and one
11 Hispanic, and they went to the aide of the police
12 officer and they helped capture this guy.

13 The officer ended up going to the
14 hospital. But the fact that the citizens went
15 and helped this officer speaks volumes. It
16 didn't have to do with race. It didn't have to
17 do with sex. It had to do with a police officer
18 trying to do his job and a criminal. And I told
19 my officers that means a lot because the press
20 did not report that. And I think this whole
21 thing that's going on, it's sad. And those three
22 people, I don't know their names, they should be
23 recognized for what they did to help that officer
24 but no one is going to see that. And it's
25 unfortunate. We see a lot of bad things and we

1 don't see the good in society. It's not just
2 police officers but everyone else. There's some
3 bad apples in every field, but when someone does
4 something good I think the media should jump on
5 that.

6 COMMISSIONER BELL: And, so George, from
7 the Detroit News, could you look that up? It was
8 in Florida. But the point is it was a good
9 story. I know you do good stories. I got it.
10 But this is a real good story. And with that,
11 I'm done talking.

12 COMMISSIONER DEWALSCHE: Can I please
13 make a comment?

14 COMMISSIONER BELL: Yes, ma'am.

15 COMMISSIONER DEWALSCHE: Talking about
16 good news stories, in today's paper, and I'm
17 sorry, I can't remember which one it was. There
18 was a wonderful, wonderful article. I was so
19 emotional when I read it, about Police Officer
20 Bell. That was a wonderful article. It just
21 depicts or talks about what police officers are
22 facing today and how young children or people
23 have this fear of police officers and it's like
24 unwarranted really because police officers are
25 there to help. They're there to protect, you

1 know, and we need to educate our young people and
2 that was just fabulous.

3 If you haven't seen today's paper,
4 please check it out because it was wonderful on
5 Detroit Police. Thank you.

6 COMMISSIONER DOLUNT: I'm sorry. I
7 forgot to mention, our Director of the Law
8 Department, Sonya Washington, is here. And I
9 know that because she told me to say she was
10 here.

11 COMMISSIONER BELL: Assistant Chief,
12 could you mention this memorial service
13 tomorrow.

14 COMMISSIONER DOLUNT: Oh, how did I
15 forget that. I'm so sorry. There's no excuse
16 for that. Tomorrow the City of Detroit is having
17 a memorial service at Campus Martius. It starts
18 at 10 o'clock. The Chief cannot be there. The
19 assistant chief will be there representing him.
20 We do it every year since 9/11 because we lost a
21 lot of public safety members there and since
22 then. It's not just about 9/11. It's about what
23 we do every day.

24 So if you get a chance, it's at 10
25 o'clock at Campus Martius. It's short, not very

1 long, and it's very nice. It's very patriotic as
2 well. And we put all our differences aside. The
3 community and the police and the fire, everyone
4 else, and we ban together to remember what a
5 tragic day that was.

6 COMMISSIONER BELL: Thank you, sir.
7 Captain.

8 CAPTAIN TOSQUI: Thank you to the Chair.
9 My name is Captain Eric Tosqui, Commanding
10 Officer of the 3rd Precinct. I would like to
11 introduce a couple of my staff members that are
12 here and neighborhood police officers. I have
13 Sergeant William Wisniewski, who is my right hand
14 man, and Sergeant Dawn Johnson, who is in charge
15 of the Beats. You all have a copy of my
16 presentation. I'm just going to go through some
17 of the bullet points briefly.

18 Boundaries of the 3rd Precinct roughly
19 are Highland Park to the north, the river, on the
20 south, to the west is Number 10 and Number 4
21 Precincts. To the east is Number 7. We are in
22 District 5 and 6, which is Commissioners
23 Brooks and Carter district.

24 Since we last met the 3rd Precinct has
25 assumed responsibility for part of downtown,

1 which is now Scout Car Area 311. That's the west
2 side of Woodward. On or about September 19th we
3 will be assuming responsibility for what is now
4 Scout Car Area 713 and that will become Scout Car
5 Area 312. So the entire area of the Central
6 Business District will become a part of the 3rd
7 Precinct.

8 Also, around that date we will assume
9 responsibility for the entirety of Corktown.
10 Right now a small portion of Corktown by
11 Rosedale Park is the 4th Precinct, and so we will
12 assume responsibility for that as well.

13 In terms of demographics, population is
14 about 39 thousand or so broken in by since middle
15 Woodward, lower Woodward, Jeffries, Corktown,
16 Central Business, Wayne State, inside the
17 3rd Precinct, which is about approximately 32
18 thousand people. Detroit Institute of Arts
19 brings in about 600 thousand people every year.
20 We have events such as the Electricity Noel Night
21 and this coming Saturday is Down the Alley, which
22 brings between 50 thousand to 100 thousand people
23 depending on the event.

24 We have parades, the Corktown Parade,
25 which brings in about 50, 60 thousand people.

1 International Auto Show brought in over 800
2 thousand, and of course, the International
3 Fireworks to the 3rd Precinct brings in over a
4 million people. That's by Downtown Services
5 Watch Report of the 3rd Precinct.

6 Another thing that's interesting to
7 note that I haven't really noted before is that
8 the 3rd Precinct, while small in population,
9 contains the largest amount of historic districts
10 in the entirety of Wayne County. And, in my
11 opinion, they have over 32 percent of all of the
12 historic districts of Wayne County are inside the
13 3rd Precinct and that includes not just buildings
14 but as mostly designated neighborhoods.

15 Some of the highlights of the events and
16 issues that we have partaken; we attend three
17 different meetings outside of Spartan Consett
18 versus Wayne State Consett run by Chief Holt. At
19 that one you see it's multiple community
20 partners--community partners, security partners
21 and different governmental agencies at that. We
22 also partner with Corktown in their community
23 concept meeting and that is also a mixture of
24 business, community and government officials of
25 that. And then we have Central Business District

1 Consett that we attend and that is, again, with
2 business people in Central Business area and that
3 one and Corktown Consett are funded by
4 (inaudible).

5 And I find that in the 3rd Precinct it
6 is very community driven. I often talk about
7 that precinct in terms of neighborhoods and
8 beats. With that, we have established that we
9 are operating four different beats. Corktown
10 beat, Midtown beat, Woodward beat, which we're in
11 Woodbridge right now, and then Woodbridge
12 officers actually have Woodbridge meeting which
13 is being held simultaneously, and Virginia Park
14 beat. And Virginia Park is north of West Grand
15 Boulevard just off of Woodward there.

16 Along this, and one of the things that
17 we talked about the last time that we met is I'm
18 big on bicycles, mountain bike use and foot
19 patrols and things like that. We had gotten the
20 grants from PNC Bank through the help of the
21 Public Safety Foundation which allocated us eight
22 Trek bicycles including all of the sirens and
23 equipment that's needed for that, so that was
24 very helpful. And, Shinola, which is located in
25 Midtown, built four bicycles for us, which I

1 would say the value of those bikes are easily
2 between three and four thousand dollars. Those
3 bicycles were allocated to specific officers.
4 Two of the Corktown officers have those bicycles
5 and two of the Midtown officers have the bicycles
6 and they ride them just about every day.

7 One of the other issues, seeming it's
8 responsible for the new Scout Car Area 311, is
9 dealing with the Neighborhood Services
10 Organization otherwise known as the NSO.
11 Anybody that drives around the NSO will see that
12 there's a lot of blight issues around there and
13 we're looking for a good balance between helping
14 the poor and maintaining a safe neighborhood.

15 So, what we've done, is we've identified
16 through the help of my ordinance officer
17 Christopher Gibson, who many of the people in
18 this community know very, very well. We've
19 identified the property owners for the area
20 surrounding the neighborhood services
21 organization. We've written them letters saying
22 that they have to maintain their area, and we've
23 issued some citations to those residents for not
24 maintaining their area. I think that following
25 through on this we'll see some solvency around

1 some issues.

2 So, along that line, we are working
3 with Pastor Chaviz in regards--he is acting as a
4 liaison between Delta Prep Academy because they
5 had some concerns, the parents had some concerns,
6 about bringing their kids to the Prep Academy
7 because of the proximity to the NSO. So we're
8 working directly with Pastor Chaviz on this. One
9 of my goals is to move the bus stop closer to the
10 Prep Academy, and I think that will help things
11 out as well.

12 Lastly, I want to talk about we had a
13 wonderful National Night Out on August 4th of
14 this year. If you attended any of the National
15 Night Outs you should definitely try to make one
16 of the 3rd Precinct ones. Very, very well
17 attended. We have some wonderful things going on
18 there, from Good Fellows being there to a variety
19 of different volunteers.

20 One of our volunteers is in the
21 audience, and I'd like to recognize, Charita
22 Smith, who is not only a great volunteer for the
23 3rd Precinct but she is the 3rd Precinct
24 Community Relations Counsel Person. One of the
25 volunteers was a group that, to my regret, this

1 Commission did not--chose not to recognize today.
2 I put this group in as the Outstanding
3 Community Service award nominee for the 3rd
4 Precinct, and that was Dental Choice Mobile.

5 Dental Choice Mobile; they do not have a
6 brick and mortar store. They're not a dentist
7 office as you would think. But they are a mobile
8 unit that goes out to different events when
9 they're called upon and provide dental services.
10 Dental Choice Mobile has helped the 3rd Precinct
11 out in three different events so far for this
12 year. The first being the George Crockett
13 Academy, which is right down the street here at
14 Grand River and Warren, where they donated a
15 bicycle and that was part of raffle that went out
16 to fifty campers who attended the Avengers Camp.

17 The second was at 15th Street Block Club
18 in the 3rd Precinct where Dental Choice Mobile
19 came out and helped out with sixty children or
20 sixty people at the block club providing free
21 dental exams and free dental cleaning.

22 And, the last, which I personally
23 witnessed and was extremely humbled by, was on
24 August 4th at the National Night Out where Dental
25 Choice Mobile gave free cleanings and x-rays to

1 150 children. I, having health care all my life,
2 when I saw this and I saw the Dental Choice
3 Mobile handing out toothbrushes and some parents
4 were--they were handing out toothpaste, and
5 parents were saying can I get a couple more. And
6 I'm realizing that this is the first time that
7 some of these children have had teeth cleaning.
8 I was so humbled and it brought me to my knees
9 and I said we have to do something about this.
10 And so I recommend to this Board that they
11 receive the Outstanding Community Service Award.

12 Unfortunately, this Board decided not to
13 do it. And the reason I was given is that Dental
14 Choice Mobile and Mr. Cheeks, the owner of that,
15 does not live in the City and Dental Choice
16 Mobile is not a City Building.

17 Well, I argued that it's a mobile unit
18 so it can go anywhere. It doesn't have a brick
19 and mortar store. And Mr. Cheeks was born and
20 raised in the City of Detroit but he does not
21 live in the city of Detroit now. So to me, that
22 just represents some of this divide, it's us
23 versus them, divide. And I think that we have to
24 get away from that.

25 I would encourage this Board at a later

1 date to revisit this idea of providing Dental
2 Choice Mobile with a resolution as it does for
3 other things. To give an example, at the 4th
4 Precinct I recall that we gave an award to
5 Marathon. Clearly Marathon has a refinery in the
6 4th Precinct, but Marathon's corporate offices
7 are not in the 4th Precinct. Marathon is a
8 worldwide company.

9 Let's say we have philanthropists that
10 decide to help out the City of Detroit. Do we
11 not provide that philanthropist with an award or
12 any kind of recognition if they don't live in the
13 City or they don't have a specific stakeholder in
14 the City? I don't believe that we can afford to
15 do that.

16 In this case, seeing those kids get
17 their teeth cleaned, something that I take for
18 granted; something that some of us with dental
19 insurance decide not to do because we don't want
20 the hassle or the pain of going to the dentist.
21 But seeing these young neighborhood kids I think
22 it's worth the recognition. So I appreciate the
23 opportunity to bring this up at this point. I
24 will open up for questions.

25 COMMISSIONER BELL: I just want to say,

1 Captain, we are not aware, or least I'm not. We
2 haven't been aware of that. Perhaps we can
3 debrief it at a later date and time in reference
4 to what has transpired. So we will look into it.
5 Commissioners, any other questions?

6 COMMISSIONER DEWALSCHE: I would just
7 recommend that we take seriously the
8 recommendation of the Captain to consider this
9 Dental Choice Mobile as a candidate for
10 resolution. Thank you.

11 COMMISSIONER MOORE: When did you
12 submit your request?

13 CAPTAIN TOSQUI: I submitted it the
14 beginning of August; somewhere on or about
15 August 11th. I submitted a presentation to the
16 Board of Commissioners and the Outstanding
17 Community Service Award at that time. And then
18 it was up to the chain of the Chief. I know that
19 we had--the chief has prepared a citation, but we
20 were told that that was not going to be the case,
21 which is why someone else is on the Agenda as
22 receiving an award today.

23 COMMISSIONER BELL: Well, we will take
24 time in seriously considering that after we
25 figure out what has transpired. Any other

1 comments?

2 COMMISSIONER SHELBY: To the Chair, I
3 was not aware that that request was awarded also.
4 In regard to that, I make a Motion that we
5 consider that.

6 COMMISSIONER DEWALSCHE: I support that
7 Motion.

8 COMMISSIONER BELL: And its been
9 properly moved and supported. The Motion to
10 support Captain's recommendation to consider
11 resolution. Any other discussion?

12 (None responded.)

13 COMMISSIONER BELL: Those in favor?

14 (All stated aye.)

15 COMMISSIONER BELL: Those opposed?

16 (None responded.)

17 COMMISSIONER BELL: Motion carries.

18 Thank you.

19 COMMISSIONER DOLUNT: Next we have
20 Deputy Chief Hall who wanted to report on Slow
21 Roll.

22 DEPUTY CHIEF HALL: Good evening to the
23 Board. Rene Hall, Deputy Chief, Detroit Police
24 Department. I just want to talk about--I
25 understand that Slow Roll was a major issue at

1 the last board meeting. Myself A.C. Dona,
2 Commander Berrin, we met with Jason Hall who is
3 the organizer of Slow Roll. One of the
4 things that was mis-stated is the Detroit Police
5 Department is very active in Slow Roll and these
6 officers are off-duty and working in secondary
7 employment capacity.

8 Slow Roll does pay for police services
9 for their bike rides. This bike riding is very
10 beneficial to the City in its image. For the
11 first time we have individuals who want to ride
12 their bikes in neighborhoods; and not specific
13 neighborhoods. They ride their bikes in all
14 neighborhoods across the City, and we think it's
15 a good thing for the City.

16 We do recognize there are some
17 challenges here, and we met to rectify most of
18 these situations. The bike rides take place
19 between the months of March and October. March
20 to about June they have about 15 hundred riders.
21 June, July and August they get about 3 thousand
22 riders, and then it falls back off in September
23 when kids go back to school and their parents are
24 back working and dropping them off at school to
25 about 15 hundred people.

1 What we recognize is that the impact of
2 the roads and the citizens is a greater impact by
3 vehicles, scout car vehicles, so we reduced that
4 to motor vehicles so our traffic enforcement
5 officers would ride along side creating less of a
6 traffic jam; also ensuring that the officers that
7 are working this detail would break up the bike
8 riding in intervals to allow pedestrian as well
9 as vehicular traffic to flow on a regular basis.

10 We did also rectify a situation that the
11 routes would be solidified a week and a half out
12 so we would see exactly where they're going to go
13 selecting those routes that would be less
14 impacting on the citizens. So rather than riding
15 in high residential areas, maybe those areas that
16 are least populated, but still allowing them to
17 tour the rest of the City.

18 We got the complaints that there's
19 alcohol consumption. We did find out that 70
20 percent of the individuals who ride in the Slow
21 Roll are registered. They pay their dues in
22 order to ride, but there are those road riders,
23 which is about thirty percent. What we have done
24 from the Police Department standpoint, and we
25 even started after our meeting, is ensuring

1 that we're ticketing those individuals who are
2 possessing alcohol, open intox, and who may be
3 causing some type of havoc in making the Slow
4 Roll a much more of a rogue event and not an
5 organized event. So we're doing our part from
6 the enforcement standpoint to insure that this is
7 a safe and fun ride.

8 We addressed all the areas of traffic
9 control, alcohol consumption and routes. So we
10 think we have it solidified. Their last ride
11 will be Halloween where they'll dress up in
12 costumes, and that should be the last time we
13 deal with it until March of next year. And we
14 think we have the issues rectified for the most
15 part. Are there any questions?

16 COMMISSIONER BELL: Commissioners.

17 COMMISSIONER MOORE: Thank you, Chair.
18 What's being done to educate the citizens so the
19 citizens can know the route?

20 DEPUTY CHIEF HALL: That is one of the
21 things that we talked about in identifying the
22 route a week and a half. Just flyer the area and
23 talking to the citizens. And that's going to be
24 handled by Downtown Services who works in that
25 secondary capacity. But they will put flyers on

1 the doors, leave numbers for Downtown Services,
2 so if citizens have any questions they can
3 contact us, or concerns, and maybe we can
4 reconsider the route, if necessary.

5 COMMISSIONER MOORE: Any hopes of the
6 media getting involved; whether it is the news,
7 TV, radio?

8 DEPUTY CHIEF HALL: We did not discuss
9 that, but I think that's a great idea. We can
10 make sure that the route is put out over the air,
11 over the airways, as well as media, television
12 and everyone will know exactly where they'll be
13 riding. So maybe they want to steer clear of the
14 area or if they want to join in.

15 COMMISSIONER MOORE: Thank you,
16 Chief.

17 BISHOP VANN: I just wanted to thank you
18 because I think that the clarity needed to be--
19 needed to take place. My observation, of course,
20 has been that, you know, with a large contingent
21 of bicycles, three thousand or more, that I've
22 seen several times there were no intervals of
23 pressure of the bicycles, which was what was
24 causing the problem. It's not the bicycles. It
25 is not the cycling. It's not anything like

1 that. For me, my concern was that traffic was
2 impeded for a long and protractive period of time
3 and pedestrians as well.

4 So I think that a great solution is
5 being able to put it in the intervals where
6 necessary and I really appreciate your leadership
7 in that.

8 DEPUTY CHIEF HALL: Thank you, sir.
9 Yes, ma'am.

10 COMMISSIONER DEWALSCHE: That's exactly
11 what I was going to say is that Commissioner
12 Burton is not here, but he has raised it at a
13 couple of our meetings that it's the interval,
14 and he's getting a lot of complaints from
15 community residents. And how are we addressing
16 those complaints to the community? I mean, we
17 know what you're saying to us and we do want
18 people to come and bike in our neighborhoods and
19 areas, but how are the residents being addressed,
20 you know, their concerns being addressed?

21 DEPUTY CHIEF HALL: That's one of the
22 things--because we didn't get the complaints.
23 The complaints that the commissioner had, I have
24 patrol and I did not know that these complaints
25 were out there. So what we're doing now is, like

1 I said before, with the routes being a week and a
2 half in advance, letting the citizens know that
3 they're going to be in the area. If they have
4 some concerns we're going to be there to talk to
5 them. And if we need to adjust those routes we
6 will.

7 We do have officers and supervisors out
8 during the routes to ensure that we are spacing
9 them out in intervals, allowing people to come
10 out of their residence when they're ready to come
11 out of their residence. So everybody is happy
12 and we have a great bike riding event as well as
13 happy citizens. That's our goal.

14 COMMISSIONER DEWALSCHE: So can you
15 explain to me what the intervals are? Are you
16 talking about like 100 or 200 people at a time
17 stopping five minutes? Could you walk me through
18 it?

19 DEPUTY CHIEF HALL: Well, it's like a
20 parade. If you have traffic coming in a
21 direction that needs to go across then you break
22 the bicycles off and let traffic come through.
23 As long as there is no--let's say we're going
24 northbound and east and west traffic. If there's
25 no east and west traffic we'll let the bikes

1 continue. But then if there's traffic in various
2 parts, we'll have the officers on their
3 motorcycles to break off and allow the bicycles
4 to ride and give the space for traffic to flow.
5 And then the bicycles will come in intervals
6 through that intersection and allow for there to
7 be bicycles and then vehicular traffic, bicycles,
8 vehicular traffic.

9 COMMISSIONER DEWALSCHE: So do you
10 synchronize them with the traffic lights as much
11 as possible?

12 DEPUTY CHIEF HALL: That is
13 where--it has not been done. That's the
14 direction we're moving in. That's one thing
15 we're realizing that's not being done. We were
16 keeping the bicycles all together to appease the
17 bicyclists, but we now recognize that is a major
18 issue and we're moving to synchronize it with
19 traffic and traffic lights.

20 COMMISSIONER DEWALSCHE: And if you do
21 that I think there will be less complaints if
22 you're able to synchronize it as much as
23 possible.

24 COMMISSIONER BROOKS: I have something.
25 Did I understand you to say that you have

1 motorcycles, police on motorcycles, now rather
2 than in the cars?

3 DEPUTY CHIEF HALL: Yes, ma'am.

4 COMMISSIONER BROOKS: I think that's a
5 great idea because people were wondering why
6 there were so many cars, four and five police
7 cars, and if they needed one they're all there.
8 So I think that's a great idea.

9 DEPUTY CHIEF HALL: Thank you.

10 COMMISSIONER MOORE: Who picks the
11 route?

12 DEPUTY CHIEF HALL: The route is
13 selected by the Slow Roll organizer, but now that
14 route will be selected through Captain Petty and
15 his staff along with the organizer so that we
16 choose a less impacting route.

17 COMMISSIONER SHELBY: When we do parades
18 in the City they require a permit. Is Slow Roll
19 required to have a permit for their function?

20 DEPUTY CHIEF HALL: They don't
21 necessarily require a permit, but because they go
22 through the Police Department with the secondary
23 piece, we kind of coordinate it to ensure that
24 all the necessary areas as met. But if that is a
25 suggestion that you want them to pull a permit,

1 they will be pulling a permit every week because
2 they ride every single week.

3 COMMISSIONER SHELBY: Just curious.

4 COMMISSIONER BELL: Commissioners, any
5 other comments or questions? Thank you, DC Hall.
6 I think, Mr. Secretary, make sure that we
7 highlight that in the Minutes for Commissioner
8 Burton because he had a great deal of passion
9 about it. But I would hope that, Commissioners,
10 when you have a concern you should really contact
11 the Chief or the Assistant Chief or the Deputy
12 Chief. Let them know if you're getting those
13 type of complaints relative to one or two or
14 major issues like that, let them know. We
15 shouldn't have to wait until a public forum when
16 we air those concerns out. They can already be
17 on top of it. But, if they're not aware, just
18 like citizens, if you don't bring it to our
19 attention how can we rectify it. So this has
20 been very, very helpful and I thank you, once
21 again, for your due diligence and being on top of
22 these issues.

23 DEPUTY CHIEF HALL: I have one more
24 announcement, if I can, through the Chair. We
25 have a job fair geared toward our Hispanic

1 population in the 4th Precinct, September 18th.
2 It's at the 4th Precinct on September 18th. We
3 did recognize Commissioner Dewalsche. We heard
4 you that we are disproportionately represented on
5 the Police Department with our Hispanic
6 population. So what we have to rectify that
7 situation is we have a job fair in the 4th
8 Precinct.

9 COMMISSIONER DEWALSCHE: Thank you very
10 much. Are there flyers or materials that we can
11 distribute?

12 DEPUTY CHIEF HALL: There are flyers and
13 we will get them to you immediately.

14 COMMISSIONER MOORE: Mr. Chair, I concur
15 with what you said about the complaints. Because
16 I have Captain here, and the Lieutenant in the
17 back and they take great care of District 7. I
18 just wanted to acknowledge both gentlemen.

19 COMMISSIONER BELL: Thank you. They
20 will appreciate that too; that time of
21 interaction.

22 COMMISSIONER DOLUNT: Captain
23 Tosqui, it's my understanding that the owner of
24 the Dental Mobile has shown up.

25 CAPTAIN TOSQUI: I didn't recognize

1 that Mr. Cheeks was here in the audience as I was
2 going through--I thought--so I know we have a
3 Certificate of Appreciation for him from the
4 Police Department. If it's appropriate, I would
5 like to bring up Mr. Cheeks to have him receive
6 it at this time and at a later time come for
7 resolution.

8 COMMISSIONER BELL: We can do it at this
9 time. Continue.

10 COMMISSIONER DOLUNT: What you do means
11 a lot to bring him to his knees, Mr. Hard
12 Core himself, he try to be; it really touched him
13 deep to his heart. It's a personal thank you.
14 Thank you for doing that to the community. So
15 Eric, go ahead.

16 CAPTAIN TOSQUI: So we have a
17 Certificate of Appreciation from the 3rd Precinct
18 and from the City of Detroit Police Department
19 for your involvement in community services to the
20 City of Detroit for your efforts in the
21 community. You demonstrate spirit and commitment
22 that is truly worthy of recognition. Signed by
23 Chief Craig, September 10, 2015, and this one is
24 presented September 10, 2015 for the great work
25 you do in the lives of youth in the City of

1 Detroit.

2 MR. CHEEKS: I appreciate it.

3 COMMISSIONER DOLUNT: Do you want to say
4 something?

5 MR. CHEEKS: Yes. I'd like to say I
6 started this opportunity about seven years ago.
7 I'm from Detroit; went to Henry Ford High School.
8 I went away for under grad at Eastern Michigan
9 University and then University of Michigan. And
10 I know it's an opportunity--I know it's a
11 privilege to come back to Detroit, because of the
12 saturation of oral hygiene. It needs it more.
13 This is where, particularly, my business is. I
14 don't call them customers, but this is where the
15 need is needed.

16 I work a lot with DPS diligently, with
17 the schools. I deal with churches, camps and day
18 care centers. So basically just trying to put a
19 face with the school system because of the No
20 Child Left Behind Program for the oral hygiene.
21 So we give out the opportunity for the free
22 cleanings and exams because I know that most
23 children are not making their business to the
24 dentist.

25 So I appreciate the award and I hope I

1 can continue to provide my service to Detroit.

2 COMMISSIONER BELL: And that's crucial,
3 especially for a young brother like yourself.
4 I think it's crucial. And I'm humbled by the
5 captain reporting out and the way he reported
6 out. We appreciate that.

7 MR. CHEEKS: Thank you for having me. I
8 appreciate it.

9 COMMISSIONER BELL: Before we move on to
10 the next item on the Agenda, I'd like to bring up
11 the young lady from the 3rd Precinct Police
12 Community Relation, the Chair President.
13 Introduce yourself and I think it is sort of
14 crucial that you serve in that capacity that we
15 acknowledge you and give you the opportunity to
16 address this audience and the Board.

17 MS. SMITH: Okay. Thank you. My name
18 is Rita Smith. I am the incoming president.
19 I've been president for the last two years. The
20 only thing I would want to say is, Assistant
21 Chief Dolunt, he was our Commanding Officer
22 before Captain Tosqui, so you know we need some
23 additional officers in our precinct so that we
24 can get a few more patrols up going north at our
25 district at our precinct and we would love that.

1 Because you were our commanding officer. I know
2 you know it. I'll put that out there. So I just
3 want to say that we can use--and earlier when you
4 were talking about Captain Tosqui going to the
5 FBI class. And I had a meeting with him not too
6 long ago and he told me about that, and I told
7 him it was well deserved.

8 We really do have a great captain; a
9 community-oriented captain. He came into the
10 precinct and immediately went out into the
11 community and started meeting with us and so
12 forth. But I would say this, and I'm saying
13 this--I don't want to get anybody in trouble, but
14 Captain Tosqui also Assistant Chief Dolunt, he
15 knows I'm very--I speak my mind. He was our
16 commanding officer. He knows I speak my mind and
17 so forth.

18 And when you were talking earlier about
19 young people being afraid of the police and
20 things like that and so forth; people that come
21 out and work with the police, we're not afraid of
22 the police. People who do not come out and work
23 with the police are afraid. And one of the
24 things that we are trying to do very hard in the
25 3rd Precinct is to get more residents to come to

1 the meetings. Because I think when you come to
2 the meetings you have a different outlook about
3 the police.

4 But some of the things that happened,
5 such as what happened with the black tennis
6 player recently, those things don't help. You
7 know, some of us that grew up in the '50s and
8 '60s in Detroit, we remember some really horrible
9 police things that went on in our communities.
10 And so some of us who didn't move on and come out
11 and start working with the police, we haven't
12 gotten over those things, okay. There's a lot of
13 people that still remember the way the Police
14 Department was in Detroit in the '50s and '60s
15 and the '70s. We're all alive. Most of us are
16 alive.

17 So if we still have some of those
18 memories and we pass them on and if we don't come
19 out and work with the police to find out that
20 some of those things are not still true, we don't
21 still have all of those bad apples in the police,
22 that those things don't change.

23 So it behooves everyone to, you know
24 --and I know, this is Sharon; she works really
25 hard. She's a good volunteer. People like her

1 and myself and there's a few others back there I
2 see; that you see them at every meeting. You see
3 them everywhere. We're working very hard to tell
4 the community you need to come out and get to
5 know your officers. Once you get to know the
6 Police Department you'll feel totally, totally
7 different about it. But those things die hard.

8 COMMISSIONER BELL: Thank you. We
9 appreciate your remarks.

10 COMMISSIONER MOORE: President Smith has
11 brought up an excellent point about the manpower
12 issues. How many Academy classes do we currently
13 have?

14 COMMISSIONER DOLUNT: We have one
15 Academy right now. As a matter of fact, we just
16 had a meeting today about manpower and people
17 that are signed out to various districts and
18 people who are on restricted duty, various
19 medical formalities. And we're having another
20 meeting Monday. We are in the process of getting
21 people back to work, get on the bus or get off,
22 and doing a good job there.

23 So we have one class--the goal was one
24 class a month. And the fortunate part is that
25 while we have hundreds show up, we don't want to

1 go back to where we were in maybe part of the
2 early '80s when I came on where people that were
3 in my class had no business wearing a police
4 uniform. So unfortunately a lot of people do not
5 pass the first couple phases. But the ones who
6 did I think are of a higher caliber than when I
7 came on, and I can say that because there are
8 people in my class who went to jail as police
9 officers for doing drugs. Because there was a
10 huge push in the '80s they were so short of
11 manpower. And I think that the director and the
12 entire recruiting team are doing a much better
13 job of finding people. The hard part is that the
14 \$15.24 an hour to risk your life is a bit much.
15 But there's people applying.

16 COMMISSIONER MOORE: What's being done
17 about the salaries; because that is an issue?

18 COMMISSIONER DOLUNT: We're bankrupt.
19 And I'm sure the Mayor, if he had some money,
20 would try to do more. We are losing people to
21 the suburbs. It's not a good thing. They all
22 make more than we do. They all have better
23 benefits than we do. I don't think their
24 departments are better than ours. I honestly
25 believe in my heart we have some of the best

1 officers in the country. And for them to keep
2 doing what they're doing, what they're being paid
3 says a lot about the ones that stay.

4 I understand people leaving because they
5 have families. I get it. And I'm glad that not
6 all six hundred have showed up to be hired. I
7 don't want to undergo such scrutiny like we were
8 back in the day with police brutality. Some of
9 us, you know, back in those days had to live
10 through it, and we are all tainted by some bad
11 apples. But the ones who made it through, I
12 think show up in this community. You guys as
13 leaders, some of you are not here, but anyway
14 we're trying.

15 COMMISSIONER BELL: Any other questions,
16 comments?

17 COMMISSIONER DEWALSCHE: I just want to
18 reiterate something that I said in the previous
19 meeting, because we're in the community, but this
20 current class, if I recall, is one of the most
21 diverse classes that we've had in recent times.
22 Our--at least since I've been on the commission.
23 You know, we have more females. We have more
24 African American candidates or student police
25 officers, Hispanics.

1 It's just I'm so impressed with the
2 effort that was made to recruit for this class
3 and I hope it continues, because one of the
4 things that we have to do is we have to insure
5 that our Police Department mirrors our community
6 as much as possible. If we're going to get, you
7 know, that community engagement, you know, our
8 officers have to represent our community and so
9 we're doing--I think we're on that path and so
10 thank you for that.

11 BISHOP VANN: I'm just wondering about
12 the numbers as well. I think we mentioned this
13 several times. We knew what the number was that
14 you gave us as well, but the net gain of police
15 officers or are we through the Academy with the
16 attrition that we're having, are we keeping up
17 with attrition through the net gain coming out of
18 the Academies? Are we losing ground? Per year? If
19 you were to take the number per year of retirees
20 and people separating from the Department and
21 then take the number of people coming through the
22 Academy how would that--

23 COMMISSIONER DOLUNT: It's going to
24 take six months to get through the Academy. So
25 the people we're hiring now, we won't see

1 probably until December or January, and at which
2 time we're throwing some people hopefully on the
3 exam. I would say we're losing five to ten a
4 month at least. So if you have thirty come in
5 this month, it takes you six months to get out,
6 I've lost sixty people. Last I looked at it, we
7 were 130 something short on police officers; 130
8 down. We're also down 70 sergeants, 3
9 lieutenants and detectives. So we're trying. I
10 give them all the accolades for trying. I don't
11 want to lower the standards; I don't. Citizens
12 deserve professional police officers. I get the
13 fact that we need more bodies. I don't need a
14 body that can't perform up to the standards that
15 the citizens of Detroit deserve.

16 COMMISSIONER BELL: If there's no other
17 comments, I appreciate the Assistant Chief
18 responding, and as we know, some of us hired in,
19 it wasn't about the money. I mean, I took a pay
20 cut when I hired in in '71. You know, I wanted
21 a change of career. And a lot of people
22 recruited because they wanted a different career
23 path. Money helps but that was not the issue,
24 and I think it is also about policing and
25 firefighters. They want to serve in that

1 capacity.

2 And we are very blessed when a person
3 raises their right hand when they graduate from
4 the Police Academy and from the Fire Academy.
5 And that's why a memorial service is crucial to
6 say thank you each and every day for their
7 service because it's a commitment. And
8 there's no other job--the military you go to war,
9 you come back; you know how that go; but
10 policing is 2/47. The last three meetings I have
11 attended and NPOs, I think this Board need to
12 recognize NPOs because they're getting calls 2, 3
13 o'clock in the morning of people inquiring
14 about--you know, I said wow, that used to be
15 reserved for homicide when they got an emergency.
16 But they are going beyond their call and
17 entertaining those texts and e-mails.

18 So we need to really look at that in
19 terms of recognizing them now in the future,
20 future months, to really say thank you and give
21 them some type off appreciation from this Board.
22 I think that would really be helpful in terms of
23 not just saying thank you. But giving them
24 something in terms of those accolades. I think
25 that would be a blessing to them. So keep that

1 in mind.

2 I guess we can move on. Committee
3 reports. So we don't have any. We're still
4 working that up. I just want to share one
5 committee report; that would be the newsletter
6 that the Board Secretary, Mr. George Anthony
7 put together. I hope that you will take time to
8 pick up a copy or two copies. It's excellent and
9 the person that we're profiling is our new
10 Commissioner Deputy Brooks, better known as
11 Betty. She happens to be all over this
12 newsletter, and you get an idea of what this
13 commissioner has been involved in over the years.
14 So we appreciate that. Please take time to read
15 it and thank you, Mr. Anthony, for putting this
16 together.

17 Any new business? On the resolution
18 we're going to postpone Mr. Bill Wilborne because
19 he is attending his love of his life, Tuskegee
20 Airman meeting tonight, and we make sure that we
21 honor him where he can be present because, you
22 know, he's given so much over the years and he
23 would be here but that's his commitment.

24 So we would move on to certificate of
25 appreciation. Is Michael Thomas here?

1 Mr. Thomas, would you come forward.

2 Commissioner Moore, would you read the
3 Certificate of Appreciation.

4 COMMISSIONER MOORE: I just want to read
5 to you this narrative about Mr. Michael Thomas.
6 Early Saturday morning on July 11, 2015 at
7 approximately 1:50 a.m. an unidentified man armed
8 with a handgun approached and forced two Detroit
9 women into an alley in the area of Pilgrim and
10 Manor to sexually assault them.

11 Mr. Michael Thomas, who lives in the
12 area, heard the women screams as well as the man
13 telling them to shut up. Mr. Thomas yelled out
14 to distract the man and called 9/1/1. He also
15 alerted his neighbors. Mr. Thomas then armed
16 himself with a wooden stick and went into the
17 alley where he confronted the man. He took a
18 swing at the man but the man escaped.

19 The two women were rescued and escorted
20 back onto the street. Mr. Thomas' quick and
21 decisive action averted the potential for more
22 serious harm to the victims. The Detroit Board
23 of Police Commissioners awards Mr. Thomas the
24 Certificate of Appreciation from the BOP in
25 recognition of his unselfish act of heroism and

1 bravery in rescuing two victims of sexual
2 assault. We congratulate you, Mr. Michael
3 Thomas.

4 MR. THOMAS: How is everyone this
5 evening? I did something that I think, you know,
6 anybody should have done. You--because, you
7 know, you just don't--you don't do things like
8 that. Those ladies, you know, I see them. They
9 still in my neighborhood, you know, and they
10 thank me every time they see me, and I tell them
11 to stay safe and don't walk the streets at 1
12 o'clock in the morning because it's dangerous out
13 there.

14 So, you know, they appreciate me and the
15 neighborhood appreciates me now. You know,
16 nobody knew me until then, but after that
17 happened the whole community knows me. Everybody
18 rides past me and they waive at me and thank me.
19 And I have been to a couple community meetings in
20 the neighborhood and everybody is real nice. I
21 would do it again. I would do it again.

22 COMMISSIONER BELL: And, I just want to
23 say on behalf of the Board, that's why we
24 recognize you and appreciate you because you
25 stepped up. You did not hesitate. You did not

1 pause. You responded, and I assume that you're a
2 part of the criminal justice system in terms of
3 being a witness to whatever has transpired. And
4 I think that recognition is really important that
5 this Board recognize that type of hero; a person
6 who did not hesitate, but came forward to deal
7 with a serious situation. And on behalf of the
8 Board of Commissioners, thank you for offering
9 that type of service to the community.

10 MR. THOMAS: And thank you all for
11 recognizing me.

12 COMMISSIONER MOORE: Mr. Chair, I would
13 like to make a Motion to approve that Certificate
14 of Appreciation.

15 COMMISSIONER SHELBY: Second.

16 COMMISSIONER BELL: The Chair would
17 entertain a Motion. And you heard the Motion.
18 Ready for discussion. Those in favor, aye?

19 (All said aye.)

20 COMMISSIONER BELL: Those opposed?

21 (None responded.)

22 COMMISSIONER BELL: Motion
23 carries. Thank you, Commissioner Moore.

24 Old business. Announcements. Our next
25 meeting will be Thursday, September 17, 2015 at 3

1 o'clock at Detroit Public Safety Headquarters,
2 1301 Third Street, Michigan Room. At this time I
3 would like to open the door for oral
4 communication from the audience. But before I do
5 that, I want to--we have representatives from a
6 couple of elected officials. I'd like to have
7 them stand up, introduce themselves. So we
8 appreciate--we all know this young man. He
9 represents the one and only.

10 MR. DIVERS: Marcus Divers, Community
11 Liaison for the Honorable Cushingberry of the
12 City Council.

13 COMMISSIONER BELL: Thank you.

14 MR. KENDICE: Good evening, everyone.
15 My name is Kendice and I bring you greetings from
16 Coleman Alexander Young, II. As always, if
17 there's anything we can do for you give us a
18 call.

19 COMMISSIONER BELL: I just want to
20 appreciate you because Council Cushingberry and
21 State Senator Coleman Young always have someone
22 attending our meetings. And when they're at
23 other meetings we sometimes bump into one
24 another, so that's the support of the State
25 Senator and Council Cushingberry.

1 Any other official or representatives
2 of officials in the room? Any members of the
3 audience that this is your first meeting. Please
4 stand and just give your brief name, please, if
5 this is your first meeting of the.

6 MS. BENNETT: I'm Vera Bennett. I'm an
7 intern at Wayne State University. And I'm doing
8 my internship at the Rosedale Grandmont
9 Development Corporation. And I'm working with
10 safety, Neighborhood Safety, and that's why I'm
11 here tonight.

12 COMMISSIONER BELL: Thank you.

13 MS. BURGMAN: My name is Rita Burgman
14 and I am a new employee of the Grandmont Rosedale
15 Development Corporation. My main position is to
16 get involved in community here; what the concerns
17 are, and find out what we can do in my community
18 as well as the City of Detroit to hopefully pull
19 that into communication. So hello.

20 COMMISSIONER BELL: Thank you.

21 MR. LEWIS: My name is Al Lewis. I'm a
22 life-long resident of Detroit. I also offer my
23 platform in dealing with guns and drugs and
24 hopefully I'll get a chance to talk to you in a
25 few about some things that is on the table right

1 now that we need to address.

2 COMMISSIONER BELL: Thank you and thank
3 you for your attendance. We appreciate--you
4 could have been downtown but you're here tonight.
5 We appreciate that. We're going to have open mic
6 for about two minutes per person. Just please
7 give your name and be respectful. This is your
8 opportunity.

9 MS. PENNEL: Sharon Pennel. I just want
10 the community to know that the Police is
11 transporting us over to Martius Campus (sic) in
12 the morning. You gotta be there by 8:30, but you
13 don't have to worry about paying for parking
14 because they'll have a police bus to take us down
15 there and bring us back to 1301 Michigan for the
16 memorial service.

17 MR. DIVER: Mr. Chairman, I'm Arthur
18 Diver. I'm a Chair--Not Chair, but the
19 community--I also Chair the Winship Community
20 Association, but I'm here on behalf of Councilman
21 Cushingberry. I'm his liaison. I just wanted to
22 bring to your attention the fact that you've
23 honored two men here who have performed
24 outstanding service; providing safety or
25 assistance to persons who could have been greatly

1 injured.

2 But I do think that there is not enough
3 recognition, public recognition, and I've made
4 this statement before. If people see that they
5 are going to be honored for unselfish service you
6 will get some people who will be willing to
7 cooperate. You have a stigma out there that we
8 don't want to work with the police and it's
9 widespread. And so I think if you give--if given
10 these two individuals on the radio, newspaper,
11 whatever sources that you can get in command, get
12 the information out there that it is an honor to
13 provide service to protect the lesser person who
14 cannot protect themselves.

15 But if you give them this service, let
16 them know that you think it's an honor to serve
17 and to help other people. And I think if this is
18 done you will get more people and you will have a
19 better--people will have a better understanding
20 of police work and be willing to cooperate.
21 That's what you really need. You want
22 cooperation. You want someone to step forward in
23 an emergency situation. Even though they take
24 their life in their own hands, they can be
25 injured in that process, but they do it anyway.

1 And, to me, that is something that we
2 ought to proudly welcome this sort of service.
3 And I don't know which one of you, Mr. Bell, or
4 whatever it is, but that should make a determined
5 consistent effort to get the word out there. Let
6 them know somebody care. Somebody is willing to
7 provide service, create safety for the less
8 important. Thank you.

9 COMMISSIONER BELL: Thank you, sir. Any
10 others?

11 MR. WOODS: I introduce myself a minute
12 ago. I'm Al Woods, life-long resident of
13 Detroit. I lived through the riots, through the
14 heroine, through the crack, through the YBI; the
15 whole nine. Right now my mission is to give
16 myself to public service and try to help our
17 young people, because I know that a lot of them
18 will listen and they can be helped.

19 But the main reason that I'm here today,
20 haven't been able to sleep well, is because I'm
21 hearing a lot about the heroine problem coming
22 back to Detroit. I've lived through it. I'm a
23 former heroine addict myself, and I know that we
24 really haven't recovered from the first bout. We
25 can't afford for heroine to come back in this

1 City. Right now we're on the rebound. And I
2 know many of you don't know the effects and
3 whatnot of heroine, but I'm telling you, you
4 can't let it back up in here.

5 We have to work and do something. For
6 me, as I say, I'm giving myself to service. I'm
7 divorcing my job so I can work full-time; whether
8 I go in the system, any kind of way that I can
9 help and be of service I'm here. I do have a
10 plan because I know that we need to work on
11 getting the community and the police more
12 involved together. We gotta break down this
13 snitch code. It's not like it used to be. Now
14 we letting everybody kill our own relatives and
15 not say anything.

16 Being short, I know I can be of
17 assistance. If there's anything you want to talk
18 about, about the plan, I'll leave a couple of my
19 cards. Anybody interested, we can talk about it.

20 COMMISSIONER DOLUNT: Mr. Woods, if it's
21 okay, could you give a card to Captain Salone.
22 He's from our Major Violators.

23 COMMISSIONER BELL: Any others?

24 MR. SCOTT: Good evening. Byron Scott.
25 First of all, I wanted to give a note of kudos to

1 Mr. Bell for the piece that you wrote. There was
2 a discussion about whether the current black
3 lives matter effort--was that you?

4 COMMISSIONER BELL: No.

5 MR. SCOTT: Well, somebody wrote it and
6 it sounded like you. It said Mississippi so I
7 thought it was you.

8 COMMISSIONER BELL: I have to make sure
9 I read it.

10 MR. SCOTT: Anyway, it was well done so
11 I attributed it to you. Let me say what I want
12 to say is that the City of Detroit has been very
13 negligent, in my opinion, especially the Law
14 Department, in providing freedom information
15 FOIA requests. There's one FOIA request that one
16 of the individuals I know has been asking for for
17 about a year attempting to find the name of an
18 officer that was involved in a particular
19 situation and there's been no response.

20 I know Ms. Ha has a lot to do;
21 nonetheless, you can't run a City like that. You
22 can't run a City and ask people to submit freedom
23 of information--the whole idea was to get the
24 information so that people can respond to it.
25 I think, you know, maybe you need to ask her to

1 come here and ask her what's the hold up. Is it
2 personnel? But the request needs to be processed.
3 They really do.

4 And I'm with the Chief in terms of going
5 back to the old days. One of the principle
6 things that's transparency. When you don't have
7 transparency you have little or no communication
8 or no respect for the system. And that
9 transparency is communicated when citizens
10 attempt to get information.

11 You can't have a democracy if you do not
12 have access to information. So let me say that;
13 and that's a problem. But I can speak with whom
14 ever about the issues.

15 The other thing I talked to the Chief--
16 Assistant Chief, I talked to her about a stop or
17 Stay, whatever you want to call it, on the east
18 side in relationship to the task force and the
19 group just dealing with prostitution and the
20 confiscation of vehicles on the east side. And
21 it wasn't so much that that hasn't been going on
22 for a long period of time, even though it's
23 draconian in my opinion, to ask people to pay
24 \$900 to get a vehicle back.

25 The response was after she and her

1 husband or her fiance encountered the matter and
2 she tried to get the money, she called the
3 impound and the impound was attempting to act
4 like it was a verbal carjacking; saying are you
5 going to get the car or are we going to have to
6 take it. You got \$900 or we're going to take it.
7 You know, we have to have more civility than
8 that.

9 And, finally, the masks that were worn,
10 or allegedly worn, by the individuals involved,
11 and I know has to be undercover, but I think just
12 in terms of the imagery at this particular time
13 in history, that's certainly not a good thing in
14 relationship to how we deport dealing with Vice.
15 I just want to bring that to your attention.

16 I believe you might be able to speak
17 about it, but I just wanted to put it on the
18 record. And the reason why I mentioned the
19 FOIA requests is because the family that had been
20 involved where two neighbors fought each other
21 and one died recently, they're trying to get
22 information about that and they would like to get
23 it as soon as possible. And I talked to Mr.
24 Moore about that.

25 So I think this FOIA request situation

1 is a real challenge. And that was even a matter
2 in the Kellum case that 113 days was far too long
3 to try to get any information. You can't--I find
4 it difficult logically and respectfully to
5 appreciate that and I think we have to change it.
6 Thank you very much.

7 COMMISSIONER BELL: Thank you, sir. I'm
8 going to assume that we are closing out on
9 Mr. Scott's remarks. I just want to make one
10 final comment. Attorney Linda Bernard, will you
11 hold that September 22nd flyer up. There are
12 copies outside. Hopefully you will pick up one.
13 This forum is coming together on September 22nd
14 and we invite all you and your friends in support
15 to come out for that evening at Pleasant Grove
16 Baptist Church. And the date and time, all the
17 information is there, that we're just trying to
18 galvanize support and awareness in reference to
19 our concern about getting reinstated in December.
20 So I just want to keep that before you and make
21 you aware of it.

22 And I'd like to see Captain Cox, we
23 mentioned you the earlier, thank you for your
24 attendance from the 9th Precinct. And we are
25 changing our schedule to, I think, the third week

1 in October. We were working up to attend Osborn
2 High School in your area and I made contact with
3 one of the principals there and we want to work
4 together with you and Chief Stacey Bratkins to
5 have a forum probably in that 1:30, 2 o'clock.
6 We haven't finalized it but I just want to make
7 you aware that we want to have interaction with
8 Osborn High School and hopefully we will have
9 your support and cooperation in terms of going
10 forward with that type of forum.

11 COMMISSIONER SHELBY: I'd like to
12 recognize Captain Pritchett. He does a fine job
13 responding to requests. We're waiting for our
14 building too.

15 COMMISSIONER BELL: Along with Number 5,
16 7. It's all going to happen sooner or later.
17 And thank all of our DPD family for coming out to
18 our meeting. I know you wanted to be downtown at
19 Coleman A. Young, but we compelled you to be here
20 with us, and we appreciate that and we appreciate
21 you. Also, I would hope that we will see you
22 tomorrow at 10 o'clock. And, if not, don't
23 forget we mentioned about the Field Day. I will
24 see you at 10 o'clock on the Field Day. Please
25 come out and that should be a great interaction

1 too. So we have a busy weekend starting with the
2 memorial service and then the fun day at the
3 Field Day.

4 And, as we close out, are there any
5 other comments from commissioners? If not the
6 Chair would entertain a Motion to Adjourn.

7 COMMISSIONER MOORE: So moved.

8 COMMISSIONER DEWALSCHE: Support.

9 COMMISSIONER BELL: It's been properly,
10 moved. Those in favor?

11 (All stated aye.)

12 COMMISSIONER BELL: Motion passed. No
13 nays. Thank you.

14 (The proceedings concluded at 7:53
15 p.m.)
